2.2 The Order shall be deemed to be accepted on the earlier of:

- (a) the Supplier issuing written acceptance of the Purchase Order; or
- (b) any act by the Supplier consistent with fulfilling the Order,

at which point and on which date the Contract shall come into existence (**Commencement Date**).

2.3 These Conditions apply to the Contract to the exclusion of any other terms that the Supplier seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing.

2.4 All of these Conditions shall apply to the supply of both Goods and Services except where the application to one or the other is specified.

2.5 The Supplier waives any right it might otherwise have to rely on any term endorsed upon, delivered with or contained in any documents of the Supplier that is inconsistent with these Conditions.

3. Supply of Goods

3.1 The Supplier shall ensure that the Goods shall:

- (a) correspond with their description and any specification or requirements as set out in the Purchase Order or as otherwise notified to the Supplier by DB ESG in relation to the Goods from time to time;
- (b) be of satisfactory quality (within the meaning of the Sale of Goods Act 1979) and fit for any purpose held out by the Supplier or made known to the Supplier by DB ESG, expressly or by implication, and in this respect DB ESG relies on the Supplier's skill and judgement;

 - (d) comply with all applicable statutory and regulatory requirements relating to the manufacture, labelling, packaging, storage, handling and delivery of the Goods.
- 3.2 The Supplier shall ensure that at all times it has and maintains all the licences, permissions, authorisations, consents and permits that it needs to carry out its obligations under the Contract in respect of the Goods.
- 3.3 Where appropriate, DB ESG may inspect and test the Goods at any time before delivery. The Supplier shall remain fully responsible for the Goods despite any such inspection or testing and any such inspection or testing shall not reduce or otherwise affect the Supplier's obligations under the Contract.
- 3.4 If following such inspection or testing DB ESG considers that the Goods do not comply or are unlikely to comply with the Supplier's undertakings at clause 3.1, ESG shall inform the Supplier and the Supplier shall immediately take such remedial action as is necessary to ensure compliance.
- 3.5 DB ESG may conduct further inspections and tests after the Supplier has carried out its remedial actions.

4. Delivery of Goods

- 4.1 The Supplier shall ensure that:
 - (a) the Goods are properly packed and secured in such manner as to enable them to reach their destination in good condition;
 - (b) each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, the Order number (if any), the type and quantity of the Goods (including the code number of the Goods (where applicable)), special storage instructions (if any) and, if the Goods are being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and
 - (c) it states clearly on the delivery note any requirement for DB ESG to return any packaging material for the Goods to the Supplier. Any such packaging material shall only be returned to the Supplier at the cost of the Supplier.
 - (d) Any applicable quality assurance documentation is to be provided as part of each delivery.
- 4.2 The Supplier shall deliver the Goods:
 - (a) on the date specified in the Purchase Order unless otherwise agreed,

- (b) to DB ESG's premises at *Derwent House, RTC Business Park, London Road, Derby, DE24 8UP* or such other location as is set out in the Purchase Order or as instructed by DB ESG before delivery (**Delivery Location**); and
- (c) during DB ESG's normal hours of business on a Business Day, as instructed by DB ESG.

4.3 Delivery of the Goods shall be completed on the completion of unloading of the Goods at the Delivery Location.

4.4 Where applicable, if the Supplier does not deliver all goods in accordance with the Purchase Order and associated Acceptance Criteria DB ESG may at its sole discretion reject the goods or service.

and any rejected Goods shall be returnable at the Supplier's risk and expense. If the Supplier delivers more or less than the quantity of Goods ordered, and DB ESG accepts the delivery, the Supplier shall make a pro rata adjustment to the invoice for the Goods.

4.5 The Supplier shall not deliver the Goods in instalments without DB ESG's prior written consent. Where it is agreed that the Goods are delivered by instalments, they may be invoiced and paid for separately. However, failure by the Supplier to deliver any one instalment on time or at all or any defect in an instalment shall entitle DB ESG to the remedies set out in clause 6.1.

4.6 Title and risk in the Goods shall pass to DB ESG on completion of delivery.

5. Supply of Services

5.1 The Supplier shall from the date set out in the Order and for the duration of the Contract supply the Services to DB ESG in accordance with the terms of the Contract.

5.2 The Supplier shall meet any performance dates for the Services specified in the Order or as otherwise reasonably notified to the Supplier by DB ESG, and time is of the essence in relation to any of those performance dates.

5.3 In providing the Services, the Supplier shall:

- (a) co-operate with DB ESG in all matters relating to the Services, and comply with all instructions of DB ESG;
- (b) perform the Services with the best care, skill and diligence in accordance with best practice in the Supplier's industry, profession or trade;
- (c) use personnel who are suitably skilled and experienced to perform tasks assigned to them, and in sufficient number to ensure that the Supplier's obligations are fulfilled in accordance with the Contract;

- (d) ensure that the Services will conform with all descriptions, standards and specifications set out in the Purchase Order or as otherwise notified to the Supplier by DB ESG from time to time, and that the Deliverables shall be fit for any purpose that DB ESG expressly or impliedly makes known to the Supplier;
- (e) provide all equipment, tools and vehicles and such other items as are required to provide the Services;
- (f) use the best quality goods, materials, standards and techniques, and ensure that the Deliverables, and all goods and materials supplied and used in the Services or transferred to DB ESG, will be free from defects in workmanship, installation and design;
- (g) obtain and at all times maintain all licences and consents which may be required for the provision of the Services;
- (h) observe all health and safety rules and regulations and any other security requirements that apply at any of DB ESG's premises;
- (i) hold all materials, equipment and tools, drawings, specifications and data supplied by DB ESG to the Supplier (**DB ESG Materials**) in safe custody at its own risk, maintain DB ESG Materials in good condition until returned to DB ESG, and not dispose or use DB ESG Materials other than in accordance with DB ESG's written instructions or authorisation;
- (j) not do or omit to do anything which may cause DB ESG to lose any licence, authority, consent or permission upon which it relies for the purposes of conducting its business, and the Supplier acknowledges that DB ESG may rely or act on the Services.

6. DB ESG remedies

6.1 If the Supplier fails to deliver the Goods by the applicable date or to perform the Services by the applicable date, or both, DB ESG shall, without limiting or affecting other rights or remedies available to it, have any one or more of the following rights and remedies:

- 6.2 If the Supplier has delivered Goods that do not comply with the undertakings set out in clause 3.1, then, without limiting or affecting other rights or remedies available to it, DB ESG shall have one or more of the following rights and remedies, whether or not it has accepted the Goods:
- (a) to terminate the Contract with immediate effect by giving written notice to the Supplier;
 - (b) to reject the Goods (in whole or in part) whether or not title has passed and to return them to the Supplier at the Supplier's own risk and expense;
 - (c) to require the Supplier to repair or replace the rejected Goods, or to provide a full refund of the price of the rejected Goods (if paid);
 - (d) to refuse to accept any subsequent delivery of the Goods which the Supplier attempts to make;
 - (e) to recover from the Supplier any expenditure incurred by DB ESG in obtaining substitute goods from a third party; and
 - (f) to claim damages for any additional costs, loss or expenses incurred by DB ESG arising from the Supplier's failure to supply Goods in accordance with clause 3.1.
- 6.3 If the Supplier has supplied Services that do not comply with the requirements of clause 5.3(d) then, without limiting or affecting other rights or remedies available to it, DB ESG shall have one or more of the following rights and remedies:
- (a) to terminate the Contract with immediate effect by giving written notice to the Supplier;
 - (b) to return the Deliverables to the Supplier at the Supplier's own risk and expense;

 - (d) to refuse to accept any subsequent performance of the Services which the Supplier attempts to make;
 - (e) to recover from the Supplier any expenditure incurred by DB ESG in obtaining substitute services or deliverables from a third party; and
 - (f) to claim damages for any additional costs, loss or expenses incurred by DB ESG arising from the Supplier's failure to comply with clause 5.3(d).
- 6.4 These Conditions shall extend to any substituted or remedial services and/or repaired or replacement goods supplied by the Supplier.
- 6.5 DB ESG's rights and remedies under the Contract are in addition to, and not exclusive of, any rights and remedies implied by statute and common law.

7. DB ESG's obligations

DB ESG shall:

- (a) provide the Supplier with reasonable access at reasonable times to DB ESG's premises for the purpose of providing the Services; and
- (b) provide such necessary information for the provision of the Services as the Supplier may reasonably request.

8. Charges and payment

8.1 The price for the Goods:

- (a) shall be the price set out in the Purchase Order, or if no price is quoted, the price set out in the Supplier's published price list in force at the Commencement Date; and
- (b) shall be inclusive of the costs of packaging, insurance and carriage of the Goods. No extra charges shall be effective unless agreed in writing and signed by DB ESG.

8.2 The charges for the Services shall be set out in the Purchase Order, and shall be the full and exclusive remuneration of the Supplier in respect of the performance of the Services. Unless otherwise agreed in writing by DB ESG, the charges shall include every cost and expense of the Supplier directly or indirectly incurred in connection with the performance of the Services.

8.3 In respect of the Goods, the Supplier shall invoice DB ESG on or at any time after completion of accepted delivery. In respect of Services, the Supplier shall invoice DB ESG on completion of the Services, or as otherwise agreed in writing. Each invoice shall include such supporting information required by DB ESG to verify the accuracy of the invoice, including the relevant purchase order number.

8.4 In respect of Goods and or Services which have been delivered and accepted by DB ESG as complying with the Contract and for which DBESG has received a contractually correct invoice in accordance with Condition 3 above, DB ESG shall make payment no later than the end of the month following that in which the invoice was received. All amounts payable by DB ESG under the Contract are exclusive of amounts in respect of valued added tax (VAT) chargeable. Where any taxable supply for VAT purposes is made under the Contract by the Supplier to DB ESG, DB ESG shall, on receipt of a valid VAT invoice from the Supplier, pay to the Supplier such additional amounts in respect of VAT as are chargeable on the supply of the Goods and/or Services at the same time as payment is due for the supply of the Goods and/or Services.

8.5 If a party fails to make any payment due to the other party under the Contract by the due date for payment, then the defaulting party shall pay interest on the overdue sum from the due date until payment of the overdue sum, whether before or after judgment. Interest under this clause will accrue each date at 4% a year above the Bank of England's base rate, but at 4% a year for any

period when the base rate is below 0%. Where a payment is disputed in good faith, interest is only payable after the dispute is resolved, on sums found or agreed to be due, from the due date until payment.

- 8.6 The Supplier shall maintain complete and accurate records of the time spent and materials used by the Supplier in providing the Services, and the Supplier shall allow DB ESG to inspect such records at all reasonable times on request.
- 8.7 DB ESG may at any time, without notice to the Supplier, set off any liability of the Supplier to DB ESG against any liability of DB ESG to the Supplier, whether either liability is present or future, liquidated or unliquidated, and whether or not either liability arises under the Contract. Any exercise by DB ESG of its rights under this clause shall not limit or affect any other rights or remedies available to it under the Contract or otherwise.

9. Intellectual property rights

- 9.1 All Intellectual Property Rights in or arising out of or in connection with the Services (other than Intellectual Property Rights in any DB ESG Materials) shall be owned by the Supplier.
- 9.2 The Supplier grants to DB ESG, or shall procure the direct grant to DB ESG of, a fully paid-up, worldwide, non-exclusive, royalty-free perpetual and irrevocable licence to copy and modify the Deliverables (excluding DB ESG Materials) for the purpose of receiving and using the Services and the Deliverables.
- 9.3 DB ESG grants the Supplier a fully paid-up, non-exclusive, royalty-free non-transferable licence to copy and modify any materials provided by DB ESG to the Supplier for the term of the Contract for the purpose of providing the Services to DB ESG.
- 9.4 The Supplier acknowledges that all rights in DB ESG Materials are and shall remain the exclusive property of DB ESG.

10. Indemnity

- 10.1 The Supplier shall indemnify DB ESG against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and expenses) suffered or incurred by DB ESG arising out of or in connection with:
- (a) any claim made against DB ESG for actual or alleged infringement of a third party's intellectual property rights arising out of, or in connection with, the manufacture, supply or use of the Goods, or receipt, use or supply of the Services (excluding DB ESG Materials);

- (b) any claim made against DB ESG by a third party for death, personal injury or damage to property arising out of, or in connection with, defects in the Goods, as delivered, or the Deliverables;
- (c) any claim made against DB ESG by a third party arising out of or in connection with the supply of the Goods, as delivered, or the Services;
- (d) any breach by the Supplier of clause 14.

10.2 This clause 10 shall survive termination of the Contract.

11. Insurance

During the term of the Contract, the Supplier shall maintain in force, with a reputable insurance company, professional indemnity insurance, product liability insurance and public liability insurance to cover the liabilities that may arise under or in connection with the Contract, and shall, on DB ESG's request, produce both the insurance certificate giving details of cover and the receipt for the current year's premium in respect of each insurance.

12. Confidentiality

12.1 Each party undertakes that it shall not at any time disclose to any person any confidential information concerning the business, affairs, customers, clients or suppliers of the other party, except as permitted by clause 12.2.

12.2 Each party may disclose the other party's confidential information:

- (a) to its employees, officers, representatives, contractors, subcontractors or advisers who need to know such information for the purposes of exercising the party's rights or carrying out its obligations under the Contract. Each party shall ensure that its employees, officers, representatives, contractors, subcontractors or advisers to whom it discloses the other party's confidential information comply with this clause 12; and
- (b) as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority.

12.3 Neither party shall use the other party's confidential information for any purpose other than to exercise its rights and perform its obligations under or in connection with the Contract.

13. Compliance with relevant laws and policies

13.1 In performing its obligations under the Contract, the Supplier shall:

- (a) comply with all applicable laws, statutes, regulations and codes from time to time in force; and

- (b) comply with any policies of DB ESG as notified by DB ESG from time to time.

14. Data protection

14.1 The following definitions apply in this clause 14:

- (a) **Controller, Processor, Data Subject, Personal Data, Personal Data Breach, processing and appropriate technical and organisational measures:** as defined in the Data Protection Legislation.
- (b) **Data Protection Legislation:** all applicable data protection and privacy legislation in force from time to time in the UK including the retained EU law version of the General Data Protection Regulation ((EU) 2016/679) (UK GDPR); the Data Protection Act 2018 (and regulations made thereunder) and the Privacy and Electronic Communications Regulations 2003 (SI 2003/2426) as amended and the guidance and codes of practice issued by the Information Commissioner or other relevant regulatory authority and applicable to a party.
- (c) **Domestic Law:** the law of the United Kingdom or a part of the United Kingdom.

14.2 Both parties will comply with all applicable requirements of the Data Protection Legislation. This clause 14 is in addition to, and does not relieve, remove or replace, a party's obligations or rights under the Data Protection Legislation.

14.3 To the extent that the Supplier processes Personal Data on behalf of DB ESG, the remainder of this clause 14 shall apply.

14.4 The parties acknowledge that for the purposes of the Data Protection Legislation, DB ESG is the Controller and the Supplier is the Processor. The parties shall agree in writing the scope, nature and purpose of processing by the Supplier, the duration of the processing and the types of Personal Data and categories of Data Subject.

14.5 Without prejudice to the generality of clause 14.2, DB ESG will ensure that it has all necessary appropriate consents and notices in place to enable lawful transfer of the Personal Data to the Supplier and/or lawful collection of the Personal Data by the Supplier on behalf of DB ESG for the duration and purposes of the Contract.

14.6 Without prejudice to the generality of clause 14.2, the Supplier shall, in relation to any Personal Data processed in connection with the performance by the Supplier of its obligations under the Contract:

- (a) process that Personal Data only on the documented written instructions of DB ESG unless the Supplier is required by Domestic Law to otherwise process that Personal Data. Where the Supplier is relying on Domestic Law as the basis for processing Personal Data, the Supplier shall promptly notify DB ESG of this before performing the processing

required by the Domestic Law unless the Domestic Law prohibits the Supplier from so notifying DB ESG;

- (b) ensure that it has in place appropriate technical and organisational measures, reviewed and approved by DB ESG, to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, pseudonymising and encrypting Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);
- (c) ensure that all personnel who have access to and/or process Personal Data are obliged to keep the Personal Data confidential; and
- (d) not transfer any Personal Data outside of the UK unless the prior written consent of DB ESG has been obtained and the following conditions are fulfilled:
 - (i) DB ESG or the Supplier has provided appropriate safeguards in relation to the transfer;
 - (ii) the Data Subject has enforceable rights and effective legal remedies;
 - (iii) the Supplier complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred; and
 - (iv) the Supplier complies with reasonable instructions notified to it in advance by DB ESG with respect to the processing of the Personal Data;
- (e) assist DB ESG, at DB ESG's cost, in responding to any request from a Data Subject and in ensuring compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;
- (f) notify DB ESG without undue delay on becoming aware of a Personal Data Breach;
- (g) at the written direction of DB ESG, delete or return Personal Data and copies thereof to DB ESG on termination of the Contract unless required by Domestic Law to store the Personal Data; and
- (h) maintain complete and accurate records and information to demonstrate its compliance with this clause 14 and allow for audits by DB ESG or DB ESG's designated auditor and immediately inform DB ESG if, in the opinion of the Supplier, an instruction infringes the Data Protection Legislation.

14.7 The Supplier shall not appoint any third party processor of Personal Data under the Contract without DB ESG's prior written consent. Where any third party processor is appointed by the Supplier in accordance with this clause 14.7, the Supplier confirms that it has entered or (as the case may be) will enter with the third-party processor into a written agreement incorporating terms which are substantially similar to those set out in this clause 14 which the Supplier undertakes reflect and will continue to reflect the requirements of the Data Protection Legislation. As between DB ESG and the Supplier, the Supplier shall remain fully liable for all acts or omissions of any third-party processor appointed by it pursuant to this clause 14.7.

14.8 Either party may, at any time on not less than 30 days' notice, revise this clause 14 by replacing it with any applicable controller to processor standard clauses or similar terms adopted by the Information Commissioner or forming part of an applicable certification scheme (which shall apply when replaced by attachment to the Contract).

15. Termination

15.1 Without affecting any other right or remedy available to it, DB ESG may terminate the Contract:

- (a) with immediate effect by giving written notice to the Supplier if:
 - (i) there is a change of Control of the Supplier; or
 - (ii) the Supplier commits a breach of clause 13.
- (b) for convenience by giving the Supplier one months' written notice.

15.2 Without affecting any other right or remedy available to it, either party may terminate the Contract with immediate effect by giving written notice to the other party if:

- (a) the other party commits a material breach of any term of the Contract which breach is irremediable or (if such breach is remediable) fails to remedy that breach within a period of 14 days after being notified in writing to do so;
- (b) the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), obtaining a moratorium, being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction;
- (c) the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business; or
- (d) the other party's financial position deteriorates so far as to reasonably justify the opinion that its ability to give effect to the terms of this agreement is in jeopardy.

16. Consequences of termination

- 16.1 On termination of the Contract, the Supplier shall immediately deliver to DB ESG all Deliverables whether or not then complete, and return all DB ESG Materials. If the Supplier fails to do so, then DB ESG may enter the Supplier's premises and take possession of them. Until they have been returned or delivered, the Supplier shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.
- 16.2 Termination or expiry of the Contract shall not affect the parties' rights and remedies that have accrued as at termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.
- 16.3 Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination or expiry of the Contract shall remain in full force and effect.

17. Force majeure

Neither party shall be in breach of the Contract nor liable for delay in performing, or failure to perform, any of its obligations under the Contract if such delay or failure result from events, circumstances or causes beyond its reasonable control. In such circumstances the time for performance shall be extended by a period equivalent to the period during which performance of the obligation has been delayed or failed to be performed. If the period of delay or non-performance continues for two weeks, the party not affected may terminate the Contract by giving 7 days' written notice to the affected party.

18. General

18.1 Assignment and other dealings.

- (a) DB ESG may at any time assign, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with all or any of its rights and obligations under the Contract.
- (b) The Supplier shall not assign, transfer, mortgage, charge, delegate, declare a trust over or deal in any other manner with any of its rights and obligations under the Contract without the prior written consent of DB ESG.

18.2 **Subcontracting.** The Supplier may not subcontract any or all of its rights or obligations under the Contract without the prior written consent of DB ESG. If DB ESG consents to any subcontracting by the Supplier, the Supplier shall remain responsible for all the acts and omissions of its subcontractors as if they were its own.

18.3 Notices.

- (a) Any notice or other communication given to a party under or in connection with the Contract shall be in writing and shall be:
 - (i) delivered by hand or by pre-paid first-class post or other next working day delivery service at its registered office (if a company) or its principal place of business (in any other case); or
 - (ii) sent by email to the address specified in the Purchase Order.
- (b) Any notice or communication shall be deemed to have been received:
 - (i) if delivered by hand, at the time the notice is left at the proper address;
 - (i) if sent by pre-paid first-class post or other next working day delivery service, at 9.00 am on the second Business Day after posting; or
 - (ii) if sent by email, at the time of transmission, or, if this time falls outside business hours in the place of receipt, when business hours resume. In this clause 18.3(b)(ii), business hours means 9.00am to 5.00pm Monday to Friday on a day that is not a public holiday in the place of receipt.
- (c) This clause does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.

18.4 **Severance.** If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of this agreement. If any provision of the Contract is deemed deleted under this clause 18.4 the parties shall negotiate in good faith to agree a replacement provision that, to the greatest extent possible, achieves the intended commercial result of the original provision.

18.5 **Waiver.** Except as set out in clause 2.5, no failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

18.6 **No partnership or agency.** Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between the parties, constitute either party the agent of the other, or authorise either party to make or enter into any commitments for or on behalf of the other party. Each party confirms it is acting on its own behalf and not for the benefit of any other person.

18.7 **Entire agreement.** The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.

18.8 **Third party rights.**

- (a) Unless it expressly states otherwise, the Contract does not give rise to any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Contract.
- (b) The rights of the parties to rescind or vary the Contract are not subject to the consent of any other person.

18.9 **Variation.** Except as set out in these Conditions, no variation of the Contract, including the introduction of any additional terms and conditions, shall be effective unless it is agreed in writing and signed by the parties or their authorised representatives.

18.10 **Governing law.** The Contract, and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

18.11 **Jurisdiction.** Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Contract or its subject matter or formation.
